**PROXY STATEMENT RELATING TO
ANNUAL MEETING OF STOCKHOLDERS
To Be Held On June 2, 2004**

This Proxy Statement is being furnished to the stockholders of Big 5 Sporting Goods Corporation, a Delaware corporation (the "Company"), in connection with the solicitation of proxies by the Company's board of directors for use at the Annual Meeting of the Company's stockholders to be held on June 2, 2004 at 10:00 a.m. local time at the Marriott Manhattan Beach, 1400 Parkview Avenue, Manhattan Beach, California 90266-3714, and at any adjournments or postponements thereof (the "Annual Meeting").

At the Annual Meeting, holders of the Company's common stock, \$0.01 par value per share, will be asked to vote upon: (i) the election of two Class B directors to the Company's board of directors, each to hold office until the 2007 annual meeting of stockholders (and until each such director's successor shall have been duly elected and qualified) and (ii) any other business that properly comes before the Annual Meeting.

This Proxy Statement and the accompanying Proxy Card are first being mailed to the Company's stockholders on or about April 27, 2004. The address of the principal executive offices of the Company is 2525 East El Segundo Boulevard, El Segundo, California 90245.

ANNUAL MEETING

Record Date; Outstanding Shares; Quorum

Only holders of record of the Company's common stock at the close of business on April 22, 2004 (the "Record Date") will be entitled to notice of and to vote at the Annual Meeting. As of the close of business on the Record Date, there were 22,667,027 shares of common stock outstanding and entitled to vote, held of record by 173 stockholders. A majority, or 11,333,514, of these shares, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Each of the Company's stockholders is entitled to one vote, in person or by proxy, for each share of common stock standing in such stockholder's name on the books of the Company as of the Record Date on any matter submitted to the stockholders.

Voting of Proxies; Votes Required

Stockholders are requested to complete, date, sign and return the accompanying Proxy Card in the enclosed envelope. All properly executed, returned and unrevoked Proxy Cards will be voted in accordance with the instructions indicated thereon. Executed but unmarked Proxy Cards will be voted FOR the election of each director nominee listed on the Proxy Card. The Company's board of directors does not presently intend to bring any business before the Annual Meeting other than that referred to in this Proxy Statement and specified in the Notice of the Annual Meeting. By signing the Proxy Cards, stockholders confer discretionary authority on the proxies (who are persons designated by the board of directors) to vote all shares covered by the Proxy Cards in their discretion on any other matter that may properly come before the Annual Meeting, including any motion made for adjournment of the Annual Meeting.

Any stockholder who has given a proxy may revoke it at any time before it is exercised at the Annual Meeting by (i) delivering a written revocation notice to the Secretary of Big 5 Sporting Goods Corporation, 2525 East El Segundo Boulevard, El Segundo, California 90245, (ii) submitting a subsequent valid Proxy Card or (iii) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not, by itself, revoke a proxy). Any notice of revocation sent to the Company must include the stockholder's name.

[Table of Contents](#)

Elections of directors are determined by a plurality of shares of common stock represented in person or by proxy and voting at the Annual Meeting.

Abstentions; Broker Non-Votes; Withheld Votes

A stockholder may vote to “abstain” on any other proposals which may properly come before the Annual Meeting. If a stockholder votes to “abstain,” such stockholder’s shares will be counted as present at the meeting for purposes of determining a quorum on all matters and for purposes of calculating the vote, but will not be considered to be votes cast with respect to such matters. If an executed proxy is returned by a broker holding shares in street name that indicates that the broker does not have discretionary authority as to certain shares to vote on one or more matters, such shares will be considered present at the meeting for purposes of determining a quorum on all matters, but will not be considered to be votes cast with respect to such matters. Therefore, abstentions and broker non-votes will have no effect on the outcome of the election of directors. In addition, in the election of directors, a stockholder may withhold such stockholder’s vote. Withheld votes will be excluded from the vote and will have no effect on the outcome of such election.

Solicitation of Proxies and Expenses

This proxy solicitation is made by the Company, and the Company will bear the cost of the solicitation of proxies from its stockholders. The directors, officers and employees of the Company may solicit proxies by mail, telephone, telegram, letter, facsimile or in person. Following the original mailing of the proxies and other soliciting materials, the Company will request that brokers, custodians, nominees and other record holders forward copies of the Proxy Statement and other soliciting materials to persons for whom they hold shares of common stock and request authority for the exercise of proxies. In such cases, the Company will reimburse such record holders for their reasonable expenses.

PROPOSAL 1

ELECTION OF DIRECTORS

General

The board of directors consists of three classes, consisting of Class A directors, Class B directors and Class C directors. The terms of office of the Class A directors, Class B directors and Class C directors expire in the year 2006 (Class A), the year 2004 (Class B) and the year 2005 (Class C). Each director holds office until such director's successor is duly elected and qualified. Directors elected to succeed those directors whose terms then expire will be elected for a three-year term of office.

Only members of Class B, Sandra N. Bane and Michael D. Miller, are nominees for election to the board of directors at the Annual Meeting. Each Class B director elected will hold office until the 2007 annual meeting of stockholders (and until such director's successor shall have been duly elected and qualified). Both of the nominees currently serve on the board of directors of the Company.

Each proxy received will be voted for the election of the persons named below, unless the stockholder signing such proxy withholds authority to vote for one or more of these nominees in the manner described in the proxy. Although it is not contemplated that any nominee named below will decline or be unable to serve as a director, in the event any nominee declines or is unable to serve as a director, the proxies will be voted by the proxy holders as directed by the board of directors. Broker non-votes in the election of directors will not be counted as voting at the meeting and therefore will not have an effect on the election of the nominees listed below. Withheld votes will also have no effect on the election of the nominees. The two nominees receiving the highest number of votes from holders of shares of common stock represented and voting at the Annual Meeting will be elected to the board of directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE BOARD OF DIRECTORS' NOMINEES.

Except as set forth below, there are no family relationships between any director, nominee or executive officer and any other director, nominee or executive officer of the Company. Except as disclosed under "Certain Relationships and Related Transactions — Amended and Restated Stockholders Agreement" and "Employment Agreements," there are no arrangements or understandings between any director, nominee or executive officer and any other person pursuant to which such person has been or will be selected as a director and/or executive officer of the Company (other than arrangements or understandings with any such director, nominee and/or executive officer acting in such person's capacity as such). There are no material proceedings to which any of the following is a party adverse to the Company or any of its subsidiaries, or has a material interest that is adverse to the Company or any of its subsidiaries: any director, nominee, officer or affiliate of the Company, any owner of record or beneficial holder of more than five percent (5%) of the outstanding shares of the Company's common stock or any associate of any such director, nominee, officer, affiliate or security holder.

G. Michael Brown has served as a director since June 2002. Mr. Brown has been a senior litigation partner with the law firm Musick, Peeler & Garrett LLP since June 2001. Prior to that, Mr. Brown was a partner at the law firm Berger, Kahn, Shafton, Moss, Figler, Simon & Gladstone from 1996 to 2001. Age: 51.

John G. Danhagl has served as a director since 1997. Mr. Danhagl has been a partner of Leonard Green & Partners, L.P., a private equity firm, since 1995. From 1990 to 1995, Mr. Danhagl was a Managing Director at Donaldson, Lufkin & Jenrette Securities Corporation. Prior to joining Donaldson, Lufkin & Jenrette Securities Corporation, Mr. Danhagl was a Vice President at Drexel Burnham Lambert Incorporated. Mr. Danhagl is also a member of the board of directors of Arden Group, Inc., Twinlab Corporation, Leslie's Poolmart, Inc., Liberty Group Publishing, Inc., VCA Antech, Inc., Petco Animal Supplies, Inc., MEMC Electronic Materials, Inc., Phoenix Scientific Inc., Rite Aid Corporation, AsianMedia and Diamond Triumph Auto Glass, Inc. Age: 48.

Board Meetings and Committees

The board of directors of the Company held five meetings during the fiscal year ended December 28, 2003 and acted by unanimous written consent on two occasions. During the fiscal year ended December 28, 2003, each incumbent director of the Company attended at least 75% of the aggregate of (i) the total number of meetings of the board of directors, and (ii) the total number of meetings of the committees on which such director served (in each case, during the periods that such director served). It is the policy of the board of directors that directors who are nominees for election to the board of directors at the Corporation's annual meeting of stockholders should attend such annual meeting, except in the case of extenuating or exceptional circumstances. Five directors attended the Company's 2003 annual meeting of stockholders.

The board of directors consists of three classes: Class A directors, Class B directors and Class C directors. The terms of office of the Class A directors, Class B directors and Class C directors expire in the year 2006 (Class A), the year 2004 (Class B) and the year 2005 (Class C). Directors are elected to three-year terms. Each director holds office until such director's successor is duly elected and qualified. It is the policy of the board of directors that a majority of the board of directors shall be "independent" as that term is defined in Marketplace Rule 4200(a)(15) of the Nasdaq National Market's listing standards. The board of directors has determined that Sandra N. Bane, G. Michael Brown, Jennifer Holden Dunbar and John G. Danhagl, each of whom is a current member of the board of directors, is independent.

Director Qualifications and Nominations Process

The board of directors does not have a nominating or similar committee and therefore has not adopted a written charter for such a committee. It is the policy of the board of directors that, in addition to being approved by a majority of the board of directors, each nominee must be approved by a majority of the independent directors then serving. The board of directors believes that each member of the board of directors should participate in the selection of director nominees and that, because each nominee must be approved by a majority of the independent directors then serving, a separate nominating committee is unnecessary.

The policy of the board of directors is to recommend and encourage the selection of directors who have achieved success in their personal fields and who demonstrate integrity and high personal and professional

Table of Contents

ethics, sound business judgment and willingness to devote the requisite time to their duties as director, and who will contribute to the overall corporate goals of the Company. Candidates are evaluated and selected based on their individual merit, as well as in the context of the needs of the board of directors as a whole. In evaluating the suitability of individual candidates for election or re-election to the board of directors, the board of directors takes into account many factors, including understanding of the retail sporting goods industry, sales and marketing, finance and other elements relevant to the Company's business, educational and professional background, age, and past performance as a director. The board of directors evaluates each individual in the context of the composition and needs of the board of directors as a whole, including the independence requirements imposed by the Nasdaq Stock Market's National Market and the Securities and Exchange Commission, with the objective of recommending a group that can best perpetuate and build on the success of the business and represent stockholder interests. In determining whether to recommend a director for re-election, the board of directors also considers the director's past attendance at, and participation in, meetings of the board of directors and its committees and contributions to its activities. The board of directors uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm.

Stockholders who have beneficially owned more than five percent of the Corporation's then-outstanding shares of common stock for a period of at least one year as of the date of making the proposal may propose candidates for consideration by the board of directors by submitting the names and supporting information to: Big 5 Sporting Goods Corporation, Attention: Secretary, 2525 E. El Segundo Blvd, El Segundo, CA 90245-4632. A stockholder recommendation for nomination must be submitted in accordance with the Company's Amended and Restated Bylaws and must contain the following information about the proposed nominee, as well as documentary support that the stockholder satisfies the requisite stock ownership threshold and holding period: name, age, business and residence addresses, principal occupation or employment, the number of shares of the Company's common stock held by the nominee, a resume of his or her business and educational background, the information that would be required under the Securities and Exchange Commission's rules in a proxy statement soliciting proxies for the election of such nominee as a director, and a signed consent of the nominee to serve as a director, if nominated and elected. The board of directors does not intend to alter the manner in which it evaluates candidates, including the criteria set forth above, based on whether the candidate was recommended by a stockholder.

Audit Committee

The board of directors has a standing audit committee, which is chaired by Sandra N. Bane and currently consists of Ms. Bane, Ms. Dunbar (who succeeded G. Michael Brown as of February 10, 2004) and Mr. Danhaki. Each of the members of the audit committee is "independent" as that term is defined in Marketplace Rule 4200(a)(15) of the Nasdaq National Market's listing standards and meets the additional audit committee independence requirements set forth in Marketplace Rule 4350(d)(2) of the Nasdaq National Market's listing standards. The board of directors has determined that Ms. Bane qualifies as an "audit committee financial expert" as defined in the rules of the Securities and Exchange Commission.

On February 10, 2004, the board of directors adopted an amended and restated written charter for the audit committee, which is attached as Appendix A to this proxy statement. The audit committee charter was amended and restated to comply with the requirements of the Sarbanes-Oxley Act of 2002, as well as the requirements of the Securities and Exchange Commission and the Nasdaq Stock Market's National Market.

Among other things, the functions of the audit committee are to:

- be directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged by the Company (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company;
- pre-approve all audit and permissible non-audit services to be performed for the Company by its registered public accounting firm in accordance with the provisions of § 10A(i) of the Securities Exchange Act of 1934, as amended;

Table of Contents

- establish procedures for (a) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and (b) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters;
- review and discuss with the Company's management and independent auditors the Company's audited financial statements, including the adequacy and effectiveness of the Company's internal accounting controls;
- discuss with the Company's management and independent auditors any significant changes to the Company's accounting principles;
- review the independence and performance of the Company's independent auditors; and
- review from time to time and make recommendations with respect to the Company's policies relating to management conduct and oversee procedures and practices to ensure compliance with such policies.

The audit committee held four meetings during the fiscal year ended December 28, 2003.

Compensation Committee

The board of directors has a standing compensation committee, which is chaired by Mr. Brown and currently consists of Mr. Brown, Ms. Bane and Mr. Danhaki. Each of the members of the compensation committee is "independent" within the meaning of Marketplace Rule 4200(a)(15) of the Nasdaq National Market's listing standards. Among other things, the function of the compensation committee is to review and recommend to the board of directors the compensation and benefits of the Company's executive officers and to administer the Company's 2002 Stock Incentive Plan. Grants of stock options under the Company's 2002 Stock Incentive Plan to, and compensation for, executive officers are approved by Ms. Bane and Mr. Danhaki, with Mr. Brown either recusing himself or abstaining. Ms. Bane and Mr. Danhaki each is a "non-employee director" within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended, and an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code. The compensation committee held two meetings during the fiscal year ended December 28, 2003.

Compensation of Directors

Directors who are also employees of the Company are compensated as officers of the Company and receive no additional compensation for serving as directors. Non-employee directors receive an annual fee of \$15,000 for service on the board of directors, plus \$1,000 for each meeting of the board of directors or any committee that they attend. Directors are also reimbursed for all out-of-pocket expenses incurred in attending such meetings. Dr. Miller has agreed to waive his director fees.

Stockholder Communications with the Board of Directors

Stockholders may send communications about matters of general interest to the stockholders of the Company to the board of directors, the Chairman of the Board, the Chair of the Audit Committee or the Chair of the Compensation Committee at the following address: Big 5 Sporting Goods Corporation, Attention: Secretary, 2525 E. El Segundo Blvd, El Segundo, CA 90245-4632. The Secretary will compile these communications and periodically deliver them to the Chairman of the Board, unless otherwise specifically addressed. Communications relating to accounting, internal controls over financial reporting or auditing matters will be referred to the Chair of the Audit Committee.

Compensation Committee Interlocks and Insider Participation

For fiscal year 2003, the compensation committee consisted of G. Michael Brown, as Chair, and Sandra N. Bane, neither of whom is or has been an officer or employee of the Company or any of its subsidiaries. Ms. Bane does not have and has not had any relationship requiring disclosure under any paragraph of Item 404

Table of Contents

of Regulation S-K. Mr. Brown is a partner at the law firm of Musick, Peeler & Garrett LLP. From time to time, the Company retains Musick, Peeler & Garrett LLP to handle various litigation matters.

No interlocking relationship existed between the board of directors or the compensation committee of the Company and the board of directors or compensation committee of any other company.

Compensation Committee Report on Executive Compensation

The compensation committee of the board of directors is responsible for making recommendations to the board of directors regarding the annual salaries and other compensation of the executive officers of the Company and providing assistance and recommendations with respect to compensation plans. The compensation committee also has the authority to administer and make award grants under the Company's 1997 Management Equity Plan and 2002 Stock Incentive Plan.

The Company's compensation policy is based on linking executive compensation to the Company's objectives of growth through increased earnings and maximizing stockholder value. The compensation committee monitors compensation levels for comparable retail companies and evaluates annual compensation on the basis of these compensation trends and the performance of the Company to determine whether adjustments to base salary or bonuses, or both, are appropriate.

The compensation committee believes that stock ownership by key executives provides valuable performance incentives and helps to align the interests of key executives with the interests of the Company's stockholders in maximizing stockholder value. While certain executive officers, including the Company's Chief Executive Officer and President, have significant equity ownership in the Company, the compensation committee believes that additional option grants are appropriate to further align the interests of the Company's executive officers with the interests of the Company's stockholders. To facilitate these objectives, the Company adopted the 2002 Stock Incentive Plan, pursuant to which the Company may grant stock options to executives (as well as other employees and directors). The terms of the stock options grants are determined by the compensation committee based upon the position and responsibilities of the key executive, as well as a review of competitive equity compensation of officers of comparable retail companies.

In accordance with the terms of his employment agreement, Steven G. Miller's base salary was initially set at \$375,000 and was increased in 2003 by the compensation committee to \$395,000, with a bonus of \$615,000, based on comparable compensation packages provided to executives in similarly situated companies and the compensation committee's subjective assessment of his performance. See "Employment Agreements." Mr. Miller also received specified perquisites.

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to publicly-traded corporations for compensation in excess of \$1,000,000 paid for any fiscal year to certain executive officers, including the chief executive officer. However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met. Although the Company believes that, in general, its compensation practices should be cost-efficient with respect to taxes, the Company reserves the authority to award compensation that is not deductible under Section 162(m) to the Company's executive officers to the extent consistent with other compensation objectives.

Audit Committee Pre-approval Policies and Procedures

The audit committee is required under the Sarbanes-Oxley Act of 2002 and the rules of the Securities and Exchange Commission promulgated thereunder to pre-approve the auditing and permissible non-audit services performed by the Company's independent auditor to provide assurance that the provision of those services does not impair the independence of the auditor. The audit committee has adopted a pre-approval policy to assist it in carrying out this responsibility.

Under the pre-approval policy, the annual audit services engagement terms and fees are subject to the specific pre-approval of the audit committee. The audit committee will approve, if necessary, any changes in terms, conditions and/or fees resulting from changes in audit scope, the Company's organizational structure or other matters. In addition, if the audit committee, after reviewing documentation detailing the specific services to be provided by the independent auditors and having discussions with management, determines that the performance of such services would not impair the independence of the independent auditor, the audit committee may also approve (i) audit-related services that are reasonably related to the performance of the audit or review of the Company's financial statements and that are traditionally performed by the independent

auditor, (ii) tax services such as tax compliance, tax planning and tax advice and/or (iii) permissible non-audit services that it believes are routine and recurring services.

Audit Committee Report

The Company's management has primary responsibility for the Company's financial statements and overall reporting process, including the Company's system of internal controls over financial reporting. The independent auditors audit the annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States and discuss with the audit committee any issues that the independent auditors believe should be brought to its attention. The audit committee oversees and monitors the Company's financial reporting process and the quality of its internal and external audit process.

The audit committee has reviewed the Company's audited financial statements for the fiscal year ended December 28, 2003 and the notes thereto and discussed such financial statements with management and the independent auditors. Management has represented to the audit committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States.

[Table of Contents](#)

The audit committee has discussed with KPMG LLP, the Company's independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61, which includes, among other items, the independent auditors' responsibilities, any significant issues arising during the audit and any other matters related to the conduct of the audit of the Company's financial statements.

The audit committee has received the written disclosures and the letter from KPMG LLP regarding its independence as required by Independence Standards Board Standard No. 1 and has discussed with KPMG LLP its independence from the Company. In addition, the audit committee concluded that KPMG LLP's provision of non-audit services to the Company and its subsidiaries, as described above, is compatible with maintaining KPMG LLP's independence.

Conclusion

Based on the review and discussions referred to above, the audit committee recommended to the Company's board of directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 28, 2003 for filing with the Securities and Exchange Commission.

Big 5 Sporting Goods Corporation

Charter for Audit Committee

(amended and restated February 10, 2004)

ARTICLE I

FORMATION

The Board of Directors (the “*Board*”) of Big 5 Sporting Goods Corporation (the “*Corporation*”) has established the Audit Committee (the “*Committee*”) pursuant to Section 141(c)(2) of the Delaware General Corporation Law and Article IV, Section 1 of the Corporation’s Bylaws.

ARTICLE II

PURPOSE

1. The purpose of the Committee is to oversee the accounting and financial reporting processes of the Corporation and the audits of the Corporation’s financial statements.

2. Management is responsible for preparing the Corporation’s financial statements and for their accuracy and the Corporation’s independent auditors are responsible for auditing those financial statements. While the Committee has certain authority and oversight responsibilities under this Charter, it is not the responsibility of the Committee to plan or conduct audits. In the absence of their possession of reason to believe that such reliance is unwarranted, the members of the Committee may rely without independent verification on the information provided to them and on the representations made by the Corporation’s management and the Corporation’s independent auditors. Accordingly, the Committee’s oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Committee’s authority and oversight responsibilities do not assure that the audits of the Corporation’s financial statements have been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Corporation’s independent auditors are in fact “independent.”

ARTICLE III

COMPOSITION

The Committee shall consist of at least three directors, each of whom shall meet the independence requirements of the Nasdaq National Market, the Securities and Exchange Commission and any other applicable law (except as may be allowed by those requirements in exceptional circumstances). In addition, no person may be a member of the Audit Committee who has participated in the preparation of the financial statements of the Corporation or any of its current subsidiaries at any time during the past three years. Subject to the foregoing, the exact number of members of the Committee shall be fixed and may be changed from time to time by resolution duly adopted by the Board.

Each member shall be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement, and cash flow statement. At least one member of the Committee must have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background that results in such individual’s financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

Table of Contents

The members of the Committee shall be appointed by the Board and continue to be members until their successors are elected and qualified as directors and appointed to the Committee or until their earlier resignation or removal. Any member of the Committee may be removed, with or without cause, by the Board at any time.

The Board may appoint one member to serve as Chair of the Committee. The Chair shall set the agenda for the Committee's meetings, convene and chair the Committee's regular and special meetings and act as the Committee's representative to the Board in communicating with the Board and management. If the Board fails to appoint a Chair of the Committee, the members of the Committee shall elect a Chair by majority vote of the full Committee to serve at the pleasure of the majority of the full Committee.

ARTICLE IV

RESPONSIBILITIES

The principal responsibilities and functions of the Committee are set forth below. The Committee is authorized to carry out these responsibilities and other responsibilities assigned to it by the Board from time to time, and to take any action reasonably related to the mandate of this Charter. Subject to any restrictions set forth in the Corporation's Certificate of Incorporation and Bylaws and applicable law, the Committee shall have all power and authority necessary or appropriate to carry out its purposes and responsibilities.

The Committee's role in performing its responsibilities and functions is one of oversight. The Corporation's management is responsible for preparing the Corporation's financial statements and the Corporation's independent auditors are responsible for auditing those financial statements. Additionally, the Committee recognizes that financial management, as well as the Corporation's independent auditors, have more time, knowledge and more detailed information concerning the Corporation than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Corporation's financial statements or any professional certification as to work of the Corporation's independent auditors. Further, auditing literature, particularly Statement of Auditing Standards ("SAS") No. 71, defines the term "review" to include a particular set of required procedures to be undertaken by independent auditors. The members of the Committee are not independent auditors, and the term "review" as applied to the Committee in this Charter is not intended to have that meaning and should not be interpreted to suggest that the Committee members can or should follow the procedures required of auditors performing reviews of financial statements.

A. Independent Auditors

1. Be directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged by the Corporation (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation. The independent auditors shall report directly to the Committee.
2. Pre-approve all audit and permissible non-audit services to be performed for the Corporation by a registered public accounting firm in accordance with the provisions of § 10A(i) of the Securities Exchange Act of 1934, as amended.
3. Review and discuss with the independent auditors their audit procedures, including the scope, fees and timing of the audit, and the results of the annual audit examination and any accompanying management letters, and any reports of the independent auditors with respect to interim periods.
4. Discuss with the Corporation's independent auditors the matters required to be discussed by SAS No. 61 (Codification of Statements on Auditing Standards, AU § 380), as may be modified or supplemented.

Table of Contents

5. At least annually, discuss with the independent auditors their independence and receive each of the following in writing:
 - (a) Disclosure of all relationships between the auditors and their related entities and the Corporation and its related entities or services provided by the auditors and their related entities to the Corporation and its related entities that in the auditors' professional judgment may reasonably be thought to bear on independence, consistent with Independence Standards Board Standard No. 1, as may be modified or supplemented, or impact the objectivity of the independent auditors; and
 - (b) Confirmation that, in the auditors' professional judgment, the independent auditors are independent of the Corporation within the meaning of the federal securities laws.
6. Review and concur with the Corporation's hiring as an employee or engaging as a contractor or consultant of any employees of the Corporation's independent auditors who were engaged on the account of the Corporation or any of its subsidiaries in the most recent twelve months.
7. At least annually, evaluate the independent auditors' qualifications, performance and independence, including a review and evaluation of the lead partner of the independent auditors, and present its conclusions to the Board. In making its evaluation, the Committee should take into account the opinions of management and should consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm itself.
8. Prepare an audit committee report for inclusion in the Corporation's annual proxy statement in accordance with the rules promulgated by the SEC.

B. *Financial Statements*

1.
